

SPRINT-I

SETTING UP APPLICATION ENVIRONMENT

Install IBM Cloud CLI:

Over here after created account in the IBM cloud there are some tutorials in the dashboard. In that, get started with CLI tutorial will appear using the documentation using this we will install the IBM cloud CLI.

After clicking that tutorial, the instruction documentation page will open using those instructions to install IBM cloud CLI and also install some plugin-tools with the CLI for the work purpose while developing and deploying the Application.

Use the following Command to Install the IBM Cloud CLI:

```
iex (New-Object Net.WebClient).DownloadString('https://clis.cloud.ibm.com/install/powershell')
```

After Installed IBM cloud CLI the PowerShell screenshot shown below:

```
Administrator: Windows PowerShell
Windows PowerShell
Copyright (C) Microsoft Corporation. All rights reserved.

Install the latest PowerShell for new features and improvements! https://aka.ms/PSWindows

PS C:\WINDOWS\system32> iex (New-Object Net.WebClient).DownloadString('https://clis.cloud.ibm.com/install/powershell')
Current platform is Win64. Downloading corresponding IBM Cloud CLI...
Download complete. Executing installer...
Install complete. Please restart to make the modification effective.
PS C:\WINDOWS\system32>
```

The screenshot shows a Windows PowerShell terminal window titled "Administrator: Windows PowerShell". The window displays the standard PowerShell header, including the copyright notice and a link to download the latest PowerShell. The user has entered the command `iex (New-Object Net.WebClient).DownloadString('https://clis.cloud.ibm.com/install/powershell')`. The terminal output shows the process of downloading the IBM Cloud CLI for the Win64 platform, followed by the execution of the installer. The final message indicates that the installation is complete and suggests restarting the system for the changes to take effect. The PowerShell prompt is now `PS C:\WINDOWS\system32>`. The taskbar at the bottom of the screen shows the Windows Start button, a search bar, and several application icons, including Edge, File Explorer, and the IBM Cloud CLI icon. The system tray on the right shows the date and time as 20:36 on 29-10-2022.
